Because the Scheme will process personal data, including your own, it is registered with the Information Commissioners Office (Registration Number: **Z4886192**)

One of the Scheme's obligations under the law is to provide you with all the information you may wish to know about why and how it will process your personal data – and tell you about your rights. This is the purpose of this document.

Purpose of processing personal data

The Scheme is a membership organisation which represents its Members who have the right to protect their premises, property, staff and customers from crime and anti-social behaviour, and to exclude from their premises any individuals who are threats to their premises, property, staff, or customers.

Where an individual has been reported by a Member of the Scheme for direct involvement in an incident that represents such a threat, the Scheme will process that individual's personal data for the specific purpose of enabling Members to exercise their rights.

The Scheme's Members will share the personal data of that individual among themselves so that they can identify the individual and may exclude the individual from all the properties of all scheme Members, across the Scheme's Area of Activity which is Bridlington Area or any additional area as stipulated by the scheme's Board of Management.

You have been reported as involved directly in one or more incidents that represented a threat to one or more Members' premises, property, staff, or customers, and therefore your personal data will be processed by the Scheme on behalf of its Members.

Lawful basis of processing

The Scheme's Members' 'legitimate interest' provides the lawful basis on which it may process specific items of Offenders' personal data for specific purposes without your consent.

The Scheme process Special Category Data under Schedule 1, Part 2 of Data Protection Act 2018 as the Scheme has a substantial public interest in preventing and detecting unlawful acts.

The Scheme also processes alleged or suspected criminal activity under Schedule 1 Part 3 of the Data Protection Act 2018, Paragraph 36 for Substantial Public Interest.

Once the data has ceased to be displayed to members, it will be retained for 12 months on the Disc Database, only viewable by Administrators and Sub-Administrators before it is irrevocably deleted.

Criteria for a Targeted Offender: - An Offender who has been reported by a Member, employee and officers of public agencies or other organisations similar to Scheme for direct involvement in an incident that represents such a threat to members of the Scheme.
